**Commitment Letter  
The Hospital and Healthsystem Association of Pennsylvania (HAP)  
Opioid Learning Action Network**

To the Hospital and Healthsystem Association of Pennsylvania:

**<Insert hospital name>** is committed to providing the highest quality care for each of our patients. We support the Opioid Learning Action Network (LAN) mission to expand access to evidence-based treatment and enhance care coordination for people with substance use disorders. We welcome the opportunity to work with HAP on this initiative.

As an Opioid LAN participant, we acknowledge and commit to the following:

- Assessing our performance processes related to connecting patients to treatment for opioid addiction
- Participating in educational conferences, webinars, and networking and coaching calls with our peers across the commonwealth
- Identifying and designating a core team to support our participation
- Committing adequate time and resources for the team to actively participate in project improvement work to generate rapid and sustainable results
- Sharing lessons learned, tools, and promising practices with other participating LAN hospitals
- Collecting and submitting opioid use disorder-related process and outcome measures

**<Insert name and title for Hospital Key Contact>** will serve as our hospital's Key Contact. They may be reached at **<insert Key Contact's phone number and email address>**.

We are confident that in partnering with HAP and hospitals across Pennsylvania to focus our collective quality improvement and patient safety efforts on maximizing our clinical pathways, enhancing care coordination, and increasing the number of patients entering evidence-based treatment, we can ensure that we provide every patient with the best possible health care.

Sincerely,
