Data Portal Discussion Agenda

• Opioid LAN Data Portal New User Process
• Opioid LAN Data Portal Measures Overview
• Questions
New User Process

To gain access to the Opioid LAN Data Portal:

1. Create an Opioid LAN Collaborative Portal account
2. Verify your email address
3. Request Access to the Opioid LAN Data Portal
Create an Opioid LAN Collaborative Portal Account

- From the home page, click Login on the menu, or
- Go to hapopioidlan.org/register to create an account.
Verify your Email

• Once you register for an account, a system-generated confirmation email will be sent from webadmin@aspwv.com. Follow the instructions to confirm your account, and then sign in.

• Please only register once. If you do not receive a confirmation email from within 5 minutes, check your junk folder or with your IT department.

Account Confirmation

Please click on the following button to confirm your registration. Confirm
Request access to the Data Portal

- Sign in to the Opioid LAN Collaborative Portal
- Navigate to the Data Portal page
- Complete the Data Portal access request form
Request access to the Data Portal

- The form is located at the bottom of the Data Portal page
- Once submitted and approved, you will receive an approval email within 48 hours

Request for Data Portal Access

Due to the sensitivity of the data, new users must first submit an access request. The request form can be accessed and submitted using the link below. Upon approval of the request, an approval email notification will be sent. Once approved, the data portal will then be available directly from this page. If you have any questions or comments regarding the data portal, please contact us.
