Introduction to New Opioid LAN Website and Data Portal
09/19/19

Robert G. Shipp III, PhD, BSN, RN, NEA-BC
Peter Nguyen MBA, MHA
Graycen Hunt
Agenda

• Patient Story
• Introduction to Opioid LAN website
• Navigation and Access to Opioid LAN data portal
• Next Steps
Patient Story

Speaking Points:

• Stigma
• The importance of language
• Treatment works, recovery is possible
• We can’t afford to not fund this work
Opioid LAN website: https://hapopioidlan.org

Website sections:

- Home Screen
- Focus Areas
- Calendar
- Resources/Tools
- Data Portal
- Get Involved
- About
Navigating The Site - Live Demo

Moving further, faster, together... HAP's Opioid Learning Action Network
Registering an Account

Creating a free access account is easy:

1. Select the link on the right side of the screen
   Complete the only account form including: Name, Email, Phone, Title
2. Select your hospital
3. Enter a password

Your online account will be created immediately, forgotten passwords can be reset by selecting the link in the future
Data Portal

Moving further, faster, together... HAP's Opioid Learning Action Network
Requesting Data Portal Access

New User Registration
Due to the sensitivity of the data, new users must first submit an access request. Upon approval of the request, an approval email notification will be sent. The data portal will then be available on this screen. If you have any question or comments regarding the data portal, please contact us.

Name: 
Email: 
Phone: 
Organization: 
Comment: 
Attachments:

To create a data portal access account:
1. Complete the online form Name, Email, Phone
2. Select your hospital
3. Add any additional comments

Once our data team receives your request, HAP will confirm registration request with hospital’s Key Contact individual

Once verified you will receive notification
Data Measures

1. Number of **OUD-related encounters** in the emergency department – Respondents will be required to enter the numerical number of total Opioid Use Disorder encounters

2. Number of **overdose encounters** in the emergency department – Respondents will be required to enter the numerical number of opioid overdose encounters

3. Number of patients to whom **MAT was initially administered** in the emergency department (two part answer) - Respondents should provide the number of MAT inductions for:
   - a. Subsequent to an **OUD-related** encounters
   - b. Subsequent to an **overdose** encounters
Data Measures

4. Number of patients engaged by (certified peer) recovery specialist - Respondents will be required to enter the number of patients contacted by a certified peer recovery specialist.

5. Number of patients prescribed buprenorphine (or equivalent) for home induction - Respondents are required to enter the number of patients that received a prescription for buprenorphine to be started in the home.

6. Number of patients prescribed naloxone on discharge - Respondents are required to enter the number of patients that received a prescription for naloxone upon discharge from emergency department.
### Data Portal - Data Entry

**Hospital:** demo hospital  
**Date:** August 2019  
**Domain:** Opioid LAN, Opioid LAN

* Enter NA for not applicable, incomplete, or missing data
Data Portal - Data Report
Next Steps

• Creation of User Account
• Register for Data Portal Access
• Begin to enter data **Quarterly**
  • **October 1**\(^{\text{st}}\), start of data collection period
  • Quarterly data entry, enter totals by **month**
Future Opioid LAN Events

• Office Hours
  • September 25, 2019—11:00 AM
  • October 10, 2019—11:00 AM

• Webinars
  • October 03, 2019—11:00 AM
  • October 17, 2019—11:00 AM

• Regional Events
  • November 25, 2019—UPMC Shadyside
  • December 05, 2019—Jefferson Hospital Center City
